

Term Three

Term Three was the time we eventually moved into the new building. There have been a few problems but overall the reports on the bed rooms and common rooms has been very positive.

The year is almost complete for the year 12 students. At the beginning of fourth term they have their mock exams. Shortly after they will sit their final exams. We wish them every success .

The college **Presentation Night** is on **Friday 23rd October** an invitation is enclosed.

A big thank-you to Sally Carter who has been the relieving administration assistant whilst Margaret Pearce has been on her well deserved Long Service Leave. We welcome Margaret back at the commencement of fourth term.
