PARENTS

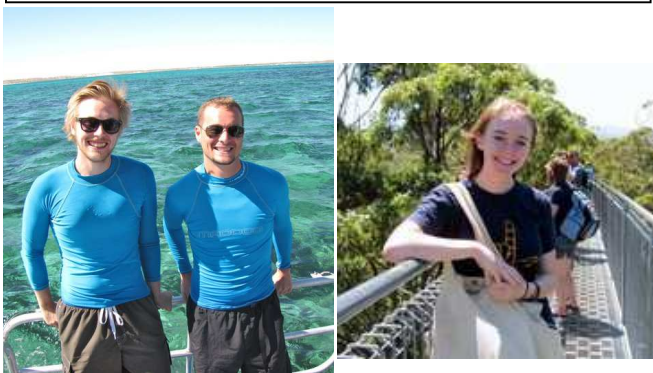

Please ensure all CLOTHING is marked, preferably with surname and initial as to assist our hard working laundry lady.

DOOR FAULT

As reported in the last newsletter we have been having troubles with door locking mechanisms. Doors were inadvertently locking on their own. All mechanisms are currently being changed to a different type. We hope that this will rectify the situation and there are no further problems.

Volunteers

With the end of term approaching it is time to say good-bye to three of our volunteers. Ville Hernesmaa, Matthew Nessian and Alex Malkow are leaving us to either head home or to another voluntary program. The college wishes them all well in their endeavours and thanks them for all their efforts.

Countryweek

Good luck to all students going to countryweek. A reminder to parents that the college closes at 5pm on the day they arrive back.

Parents requiring travel times and destinations for Regional Transwa services can go to the official website.
