

Parent/Guardian

Albany Residential College has recently received clarification of the Department of Education's Information Privacy and Security Policy that requires the College to gain parental/guardian permission before using visual images of students such as photographs outside the College environment.

The College regularly uses images of students in a variety of ways to recognize excellent achievement, inform parents and the local community of College matters, publicise events and to promote the school. From time to time we may also be asked to contribute to Department of Education materials such as educational videos and the College newsletter.

The College also has/is considering an Internet site, which may result in your child's image potentially being accessed worldwide through the Internet.

We request your permission to use any images of your child in some or all of the ways listed below. You are of course at liberty to withdraw your consent at any time by contacting the College in writing.

- College Websites/CD Roms/Video/Newsletters/Magazine or any medium in relation to College related activities.
- Promotional material for the Department of Education or College.
- Articles for West Australian/College Matters/Community Newspapers.

Please complete the permission slip below and return to Albany Residential College.

Thankyou
