

Dear Parent

In order to give the students some flexibility in their use of available leisure time, we need you to complete the attached forms

We have enclosed details of some of the activities proposed and would be grateful if you could sign and date each individual section. The students will not be allowed to participate in these activities unless permission is obtained. If you have two or more children in residence it will be necessary for you to complete a set of forms for each individual child.

Parent permission forms will be updated each year and so apply to new students as well as returning students.

Also attached is a permission form for travel and visitors listing. We also require you to complete this and return it to the College.

Thank you for your cooperation.
